Eyüp DEMİR
FULL STACK WEB DEVELOPER

Hello, I'm Eyup. I am a 3rd year student at Yeditepe University Software Development Department. I want to be a Full Stack Web Developer. I am currently taking certified Javascript and PHP trainings from BTK Academy. After reaching a certain level, I plan to study React and Node.js. He has certificates in Web Development with HTML5/CSS3, Web Site Usability, CSS3 Basics trainings.
I am looking for a short or long term internship in the field of Web Development. Thanks
